

Yaringa MARINA

hidden treasures come of age

Celebrating 21 years since construction commenced at the picturesque Yaringa Marina on the peaceful shores of Westernport Bay, the management & staff proudly invite you to discover for yourself why this busy marina with its unique waterfront restaurant has become such a popular destination for Mornington Peninsula residents and visitors.

BIRDS, BUSH, BOATS & BOATING ACTIVITIES

Tucked away amidst natural bush land and coastal habitat alongside the Yaringa Marine National Park, Yaringa provides an idyllic home for around six hundred boats ranging from small fishing boats & trailer sailers to 20 metre ocean-going yachts and cruisers. Yaringa also has the largest number of on-site boat servicing contractors & marine retailers at any single location south of QLD's Gold Coast. Self-drive Hire Boats are available for cruising or fishing 7 days a week all year round and Fishing Charters from October to May.

A WATERSIDE WANDER

A stroll through the chandlery, marine gift shop and boat sales will interest some while others can enjoy the views over the marina and across the Bay to French and Phillip Islands from the promenade known to some as "Little Southbank"

BREKKIE BY THE BAY

Breakfast, morning coffee & cake and light lunches are served every day at the delightful Yaringa Waterside Kiosk where table seating on the promenade offers first class water views.

WATERFRONT DINING AT ITS BEST

The jewel in the crown of Yaringa's attractions for local residents and visitors to the Peninsula is the recently refurbished Yaringa Marina Restaurant. With its magnificent waterfront location, comfortable new lounge-bar and new sophisticated dining setting, Yaringa Marina Restaurant is as popular as ever with lovers of delicious food and fine, affordable wines. The Restaurant is open for lunch & dinner all year round (7 days a week in summer) and bookings are strongly advised (phone 5977 3735). You will be delighted with what you discover at the Restaurant as we celebrate Yaringa's 21st summer season.
